

Call for Volunteer Greeters at Milo!

Do you love people almost as much as you love animals?

We are looking for customer service oriented folks to volunteer for a weekly two or three hour shift at our Milo Point Richmond Adoption Center (MPR). Join us in greeting the public, answering questions, guiding want-to-be adopters through the application process and helping with other administrative tasks, along with a bit of watching over the front end of MPR, including some puppies and kitties!

We are looking for volunteers during our open hours, 11am to 5pm, both weekdays and weekends!

Interested? Please email Outreach Coordinator John Fonseca at jaf@milofoundation.org with the subject "Volunteer Greeter at Milo." Thanks!
