

Call for Volunteer Greeters at Milo!

Do you love people almost as much as you love animals?

We are looking for customer service-oriented folks to volunteer for a weekly three hour shift at our Milo Point Richmond Adoption Center (MPR). You would be greeting the public, answering questions, guiding want-to-be adopters through the application process and helping with other administrative tasks, along with a bit of watching over the front end of MPR including some puppies and kitties.

We're currently looking for volunteers during open hours, 11am to 5pm, on weekdays and weekends!

Interested? Email John Fonseca our Outreach Coordinator at jaf@milofoundation.org.
