

Kennel Attendant Position at Milo

The Milo Foundation is seeking a kennel attendant to join our team at our Milo Point Richmond Adoption Center. We are a high volume nonprofit no-kill animal rescue organization averaging 1,800 adoptions a year, through our Point Richmond location and our Sanctuary in Mendocino County.

This is an entry-level position, which requires significant physical exertion, the ability to lift at least 50 pounds, the ability to handle large dogs, and a lot of walking, standing, bending and kneeling. Tasks include cleaning of kennels and crates, general cleaning and maintenance of the facility, doing laundry and dishes, maintaining dog yards, and walking dogs of all sizes. We prefer candidates who have a wide knowledge of health care, behavior, control and handling of dogs. Intelligence, love of dogs, clear communication skills and thorough work habits are a must! Professional experience working with and handling dogs is preferred.

The position includes early morning shifts which start at 7am, potentially some evenings until approximately 8pm, and weekends. It may be part time approximately 20-25 hours per week, to full time 35-40 hours per week, depending on the candidate.

To apply, please email your resume and a cover letter to info@milofoundation.org describing your experience with animals, the skills you possess to succeed in a fast paced and loud environment, and why you wish to work in animal rescue. Please put "Application for Kennel Attendant Position" in the subject line. Thank you.
